

Bard Area Resource Directory
2011 - 2012

B.A.R.D.

Welcome to Bard!

This booklet is intended to help new members of the Bard Community become familiar with the campus and its surrounding area. Inclusion of an establishment in this directory is not an endorsement, nor is exclusion a criticism. Comments are the personal opinions of the editors and do not reflect the opinion of the Bertelsmann Campus Center or Bard College. If you have any comments or suggestions for improvements, please email them to campuscenter@bard.edu.

The Campus Center Information Desk (**758-7095**) is an invaluable resource for Bard students. It has a detailed listing of most of the same things you will find within this booklet, as well as information on campus events and various transportation schedules. Transportation schedules can also be found online at <http://inside.bard.edu/community/transport>. The information desk may also assist you in finding any on campus phone number you might need.

Bard College no longer provides individual landline service to individual residence hall rooms. However, every common area or floor of any building will have at least one of these phones. They will only dial to on campus numbers. Please remember while using these phones, you only need to dial the last four digits.

It is important to be aware, while using this booklet, that all the numbers, unless otherwise stated, start with the area code (845).
