

NATIONAL CLIMATE SEMINAR *FALL '12*

Join us every other Wednesday for the National Climate Seminar and listen in real time to experts discuss the latest science, politics, and economics of climate change. Assign these calls to your students, listen online after the call, or download the podcast! A question and answer session follows each presentation, so please send us your questions prior to each call to climate@bard.edu. All calls are also available as podcasts on our website.

Simply call 1-712-432-3100 (code: 253385) at 12:00pm eastern on the scheduled day. You can also visit our website for more information on our speakers and to listen to past seminars, www.bard.edu/cep/ncs.
