

THE BIG PIVOT WITH

ANDREW WINSTON

WEBINAR

“Radically Practical Strategies for a
Hotter, Scarcer, and More Open World”

TRANSLATING STRATEGY INTO CURRICULUM

7/30

12:00pmEST

In a fundamentally changed world, driven by climate change and growing transparency, companies must make the big pivot to change the way they operate. In his latest book, Winston provides ten crucial strategies for leaders and companies ready to boldly move forward and win in this new reality.

Join Andrew to discuss how to incorporate the strategies put forth in *The Big Pivot* into your curriculum .
