Petition for Study Abroad

Use this form to request permission for an academic leave of absence from Bard College to study at (or through) another academic institution. Use this form only if you plan to earn credits towards your Bard degree by spending a semester at another institution outside of the United States. Students who do not receive Executive Committee approval before taking a leave of absence will not receive credit at Bard College for courses taken during that leave. Please consult with the Study Abroad Adviser before filling out this form so that you are fully informed of eligibility guidelines, petition deadlines, important financial matters, and student responsibilities regarding study abroad.
